

Same Word, New Sound

Listen · Compare · Explain

TODAY I CAN recognise the same English word in different voices and describe one sound difference.

The word stays the same.

Pip hears hello in a quick voice and then in a slow voice.

The pace changes, but the friendly meaning remains.

Nia listens for the word, the situation and the speaker's meaning.

Different voices belong in English. Careful listeners respond with respect.

QUICK

Say HELLO this way.

SLOW

Say HELLO this way.

QUIET

Say HELLO this way.

LOUD
